Dear Parents/Carers

With the continuing high temperatures, the decision has been taken that students will not require blazers for the remainder of the school year.

Students should continue to wear the rest of their uniform as usual. Please be aware that non-school uniform items, such as hoodies and coats should not be worn in place of a blazer.

Students at WGS will be following the same change in uniform. Please remember to send your son/ward to school with water, so that he remains hydrated throughout the day.

Further information will follow about student attire during activity days.

When we return in September we will be back in full school uniform including blazers.

I hope you have an enjoyable weekend.

Yours sincerely

Mrs S Bridger
Headteacher
