9 November 2022

Dear Parent/Carer,

The Academy has been closely tracking and monitoring the behaviour and academic progress of all of our students. Due to some set changes that have taken place across Year 8, we are keen to track the effectiveness of these changes and have made the plan to place them on academic class report. This will allow us to daily track the class, from lesson-to-lesson, and immediately act upon any issues that arise. This will begin on Monday 14<sup>th</sup> November 2022.

As an Academy, we have very high expectations in regards to student work ethic and behaviour. The academic report will ensure that we understand which students are continuously displaying excellent Skills for Life values and dedication to their studies – and will allow us to quickly and easily identify those who are not.

Due to the classes going on class report, there will be a series of punishments and rewards. Because of the nature of the report tracking the students' behaviour and academic efforts, the punishments will be focused on them completing any work which they have failed to do in class.

Please note, it is not all students in this group who are not performing to our high expectations, and there are a lot of boys who consistently work well and to the best of their ability. Therefore, they will be rewarded with values points, as they would usually be.

If you would like to discuss this report in more detail, please do not hesitate to contact me. Thank you for your continued support with son/ward's academic progress at Greenacre Academy.

Yours sincerely,

**Mrs K Thompson**  
Head of Year 8
