4 September 2023

Dear Parents and Carers,

Welcome to a new academic year and the start of Term 1. I am sure that this year will be productive as we continue to work together for the interest of your son.

Whilst it was wonderful to see the majority of the school in full school uniform today and looking beautifully smart, there were still too many students not in full school uniform.

Considering the upcoming exceptionally hot weather forecasted for the remainder of this week, we have decided to make a temporary adjustment. Beginning tomorrow (Tuesday, September 5th) and concluding on Friday (September 8th), students will not be required to wear blazers. This accommodation will remain in effect unless there is a significant cooling of the weather, in which case we will communicate further.

With this in mind, it is important that students understand that no blazers also mean no outside coats, no body warmers and no non-school uniform jumpers or hoodies. If students wish to wear these, then they must also wear a blazer.

Please encourage your son/ward to stay hydrated by bringing in a refillable water bottle, we do not have cups available for lending.

We expect to be back to normal on Monday 11th September, therefore please ensure that your son/ward is in full school uniform. Thank you for your cooperation and support in ensuring a comfortable and productive learning environment for all students.

Yours faithfully

Mrs S Bridger
Headteacher
