Dear Parents/Carers,

School Closure on Friday, October 6th, 2023

We hope this message finds you well. We would like to inform you about an upcoming school closure and two exciting events that we have planned.

This year, our Open Morning for Year 6 pupils will be held over two separate dates. These will be on Saturday, September 30th, from 9:00 AM to 12:00 PM, and our Open Evening on Thursday, October 5th, from 4:00 PM to 7:00 PM. These events provide a wonderful opportunity for parents and Year 6 students to explore Greenacre Academy, discover our facilities, and learn about the opportunities available to our students.

During these dates, our students will proudly showcase their remarkable work and encourage others to join our school. We believe that our current students play a vital role in the growth and success of our Academy. That's why we will be reaching out to students to participate as department helpers and tour guides during these events. Look out for a forthcoming letter requesting student helpers.

We anticipate that these events will be bustling with activity, and the dedication of our staff and students will require weekend commitments and late hours. In light of this, the Academy will be closed on Friday, October 6th, 2023, to allow everyone to recuperate.

Should you have any concerns regarding this closure or any other matters, please do not hesitate to contact us.

Thank you for your understanding and support.

Yours faithfully

Mrs. S. Bridger
Headteacher
