Our vision –

Preparing you for the Future

- GCSE and A level results PLUS REAL life skills
- Will he be equipped with the 'soft skills' that employers are crying out for?
- Can he cook, debate, decorate, change a plug, make things in a workshop, know how to be in an interview?
- Will other schools give him a business mentor?
- Will he be constantly exposed to real businesses?
- Will he be taught REAL life skills alongside the curriculum?
- We aim to prepare all of our students to take their place in society with impact
