12 October 2023

Dear Year 12 and 13 Students/Parents/Carers,

RE: Higher Education Information Evening – Thursday 9th November, at Walderslade Girls' School, 6-7pm

We write to invite you to our annual Higher Education Evening. The choices contained within the next stage of education can be daunting for our students in terms of: courses, universities, and apprenticeships that are available. Therefore, we hope you will find this event both insightful *and* useful.

This event will outline different types of courses, universities and apprenticeships available to students *and* the application process. Both we, senior staff, and a number of local university representatives will be in attendance and will be available to answer any questions you may have. As the application process will require parental input, we strongly recommend students attend with their parent/carer. We have also secured guest speakers to share with you information about: higher education, universities, and apprenticeships.

We highly recommend that all parents and students attend so that you are equipped with relevant information before important further education decisions are made. We would kindly ask you to complete and return the attached reply form. We look forward to welcoming you to the event and do hope you are able to attend.

Yours sincerely,

Mr. M. Roberts
Head of Sixth Form

Miss H. George
Deputy Head of Sixth Form
