6 December 2023

Dear Parents/Guardians,

Important Update: Extension of Internal Isolation Day Hours

We would like to inform you of a necessary adjustment to our internal isolation day schedule, which will be implemented starting from Monday 11th December 2023.

As part of our ongoing commitment to maintaining a positive learning environment for our students, we have decided to extend the internal isolation day hours from 08:30 am to 03:30 pm. This extension is intended to serve as a deterrent, reinforcing the importance of adherence to our school's code of conduct and to promote our values.

The extension will provide a more structured and focused environment for students during internal isolation, encouraging them to reflect on their actions and make positive choices moving forward. We believe that this adjustment will contribute to the overall well-being and development of our students.

Additionally, we would like to inform you that those students in the extended internal isolation will need to bring their own lunch to school. We encourage parents to ensure that their children have a nutritious and satisfying meal to sustain them throughout the day.

For students who receive Free School Meals, a packed lunch will be provided to ensure that every student has access to a balanced meal during this period.

We understand that these changes may impact your child's routine, and we appreciate your understanding and cooperation as we work together to create a safe and nurturing educational environment.

Thank you for your continued support.

Your sincerely,

Mr S. Ireland
Assistant Headteacher
