15 December 2023

Dear Parent/Carer,

As the lead for rewards at Greenacre Academy, I just wanted to write to you all in regards to the rewards opportunities that are available to our students. At Greenacre Academy, we love to reward our students for the success they have. This academic year students have the opportunity to receive the following:

**Values Points Badge Achievement** – We have introduced a badge achievement scheme where students receive badges for every value point milestone they achieve. These are 100 for Bronze, 250 for Silver and 400 for Gold. We have seen so many students reach this first milestone! If your son/ward is one of these students, please do send them to me in the KS4 hub to receive their badges.

**Sports Hall rewards** – Each week a form group have the opportunity to participate in the sports hall rewards. These are based a number of factors that change on a weekly basis. During Term 2, we postponed these due to Year 11 and 6th form mock exams, however, these will return in Term 3.

**Attendance rewards** – At the end of every term those students who have achieved an attendance of 97% will receive an excellent attendance badge. This means that every term, students who may not have reached this target the term before, have the opportunity to receive this.

**Golden tickets** – Each week students who receive 100% attendance are given a golden ticket to go in to a draw to win a prize. There is one prize given to each year group.

**Year 11 Intervention reward cards** – Every Year 11 student has been issued with an intervention reward card. Every time they attend an intervention they get a signature from their teacher. Once their card is full they must return them to Mrs Bennett to go in to a draw to receive a prize. The first draw will be draw at the end of term 3.

**End of Term 2, 4 and 6 reward trips** – At the end of each of these terms, there is a trip available to 50 students from each year group. These students are chosen by their Head of Year across all form groups and are based on a variety of criteria including attendance, attitude to learning and showing Skills for Life values. We want ensure that everyone from every year gets an opportunity to be rewarded across the academic year.

We are incredibly proud of all our students at Greenacre Academy and look forward to celebrating their successes this year.

We wish you all a Merry Christmas and a Happy New Year in advance!

Kind regards,

Mrs A Adsett
