Dear Parents/Carers,

YEAR 11 PARENTS' EVENING

Our Year 11 Parents' Consultation will take place with face-to-face meetings on the evening of Thursday 18th January 2024. This will be an invaluable opportunity to discuss with subject teachers how well your son/ward is progressing in his subjects. It is vitally important that your son/ward attends this event with you in order to be able to discuss actions for further development in his GCSE exams which are rapidly approaching and coursework subjects where deadlines are on-going.

These consultations will allow for conversations with individual teachers to talk about your son/ward's progress in their subject and what they need to do moving forward, to ensure this is as successful a year for them as possible.

All members of staff who teach your son/ward will be present at this evening and they will feedback to you on your son/ward's performance, including any areas for improvement and development. Each appointment should last approximately 5 minutes; exact appointment times cannot be given so please arrive during the slot you have selected by completing the online form below. If you do not hear otherwise, please expect that your appointment time is acceptable.

Our SEN department are also available during the evening if you would like to meet with them, please indicate on the form below.

Please could you complete the online form to confirm your attendance by Thursday 11th January. If you are unable to access this online form please contact the school office to let us know or email your son/wards form tutor to confirm your attendance.
