

# LESSON PLAN: **ROUNDERS**: YEAR 2: WEEK 2

**LESSON OBJECTIVE:** To learn how to underarm throw focussing on aiming skills.

## **WARM UP (10 MINS)**

Repeat the hot potato game from the previous week but this time, when pupils miss/drop the ball they have to run around the circle twice before they go down to one knee.

## **MAIN LESSON (20 MINS)**

Explain to pupils the importance of underarm throwing in rounders:

- Bowling
- Short distance fielding

Put pupils in small teams of 4/5. Pupils are to focus on their aiming skills by throwing a bean bag into different size hoops in front of them. Points are awarded for the different hoops. Highlight any good technique.

**Question:** As a team how many points did they get after one go?

Ask the teams if they can now beat their previous scores.

**Develop:** Take away the hoops and ask one pupil from each team to stand facing the rest of their team standing 2 metres apart. Replace the beanbags for a soft ball. Pupils take it in turns to throw to the catcher. In 1 minute how many can they catch? Swap the catcher.

## **GAME/COMPETITION (15 MINS)**

Pupils in their teams have to stand in a line. The ball starts at the front of the line. Pupils have to pass the ball to each other down the line until they reach the last person. That person then runs to the front and they repeat the drill. It is a race between groups. The first group to get back to their starting position is the winning team.
