

SCHEME OF WORK: **TENNIS**: YEAR 6

LESSON	OUTLINE OF LESSON
1	Students learn the correct technique to perform the forehand shot whilst thinking about their court position following the shot.
2	To perform the backhand return shot whilst continuing to think about their position on the court.
3	To understand where and how to perform the volley shot using the correct technique.
4	To discover how to serve underarm and overarm in tennis.
5	Continue to develop the serve and develop this into a rally.
6	To perform the backhand, forehand, volley and serve into a tennis game.
