

Dear Parent/Guardian,

RE: Uniform for Engineering Student

I am writing to inform you of the uniform expectations for engineering students next academic year. Due to the practical nature of the subject the uniform requirements for the course will be different to other members of sixth form. Without this uniform students will not be able to take this pathway. However failure to meet these expectations, will result in students being unable to complete practical activities and therefore they will be unable to complete the course.

We will be expecting students to be in black polo shirts, a black jumper (not hoodies), black work trousers and steel toe capped boots when in school.

Polo shirt and Jumper
Work Trousers
Steel toe caps

Students will need to have at least one polo shirt that has the school logo in order for them to be insured when completing work experience off site and when participating in guest lectures.

We use AMS Workwear as our supplier for uniform.

AMS Workwear,
Unit 5 Premier Business Park,
Second Avenue,
Chatham
Kent ME4 5EQ.

Tel : 01634 815015

Email : amarelen@btconnect.com

<http://www.amsworkwear.co.uk/>

Opening Hours: Monday to Friday - 8:30 am to 5:00 pm and Saturday - 9:00 am to 2:00 pm.

For the remaining items as long as these are black, contain no logo and are plain in colour these can be purchased from elsewhere.

If you have any queries or questions please feel free to contact Mr Akehurst on akehr005@sflt.org.uk or ring the school.

Kind regards

Mrs K Burgiss
Head of Design Technology
