The Walderslade Girls School Rules

1. We use polite language at all times; the use of prejudice language is not encouraged or supported.
2. We conduct ourselves appropriately and quietly around our school; We walk on the left, follow one way signs, and arrive punctually. If an area is closed for examination, we make adjustment.
3. We demonstrate all of the Values of the Trust in our school and community; we listen, we care, we enjoy, we show integrity, we respect, we collaborate.
4. We respect that we are allowed to bring mobile phones into the school; We don't use them during lesson time, or inside the school building, without explicit permission from a staff member. If we are asked to hand them in, we do so without argument, if we are using mobile phones or their accessories inappropriately we understand there may be a consequence.
5. We take part in restorative conversation. Sometimes we need to apologise if we are in the wrong, we understand what it is to take 'ownership'.
6. We all have equal rights to education; We address bullying, we respect that others have additional learning needs, we demonstrate perseverance when learning is difficult.
7. We understand that everyone in the Trust has a responsibility to safeguard us. Fighting, truanting, refusing an exit room, running in the corridor during lessons and at changeover, smoking and vaping are not allowed at school.
8. We tell the truth and we value integrity. If you make a mistake, take ownership, apologise and accept the consequences of our action. We understand that graffiti, fail to attend detentions, and fighting all result in serious consequences.
9. We wear the appropriate school uniform at all times, including correct PE kit and protective wear in practical subjects. If we are asked to remove non-school uniform items we do so quickly and sensibly.
10. We take our education seriously. We focus in class, we try our hardest, we read at DEAR time, we arrive organised with equipment for lesson, we show respect to all in our class so we can make progress.
