26 June 2023

Dear Parent/Carer,

On Monday 10<sup>th</sup> July, we have organised a day of culture. This will enable our students to have an opportunity to learn and celebrate our differences that make us part of a unique community.

Your daughter will not be attending her usual lessons on this day, instead she will take part in a series of workshops. These workshops will include; cooking, food tasting, dance, music, poetry and textiles. Due to the nature of the activities we are asking that you send your daughter to school dressed in her PE kit.

We are aiming to hold a day for each year group to learn more about our students and their different cultures. It is so important that our students recognise that we are all from our own unique background and being different should be a celebration and form part of the diverse world we live in.

I am excited for our students to embark on this cultural journey and I am hopeful that your daughter will come home and be able to discuss with you the trip she has taken around the world in a day, all within the walls of Walderslade Girls' School.

Please do get in touch if you have any questions pertaining to this event. I look forward to seeing every Year 9 student in school for 8.30am, to enjoy themselves on this unique adventure.

We will be posting regular updates on Facebook throughout the day, please follow us if you do not already.

Your sincerely

Mrs L Campbell  
Headteacher
