

## Partnership of Greenacre & Walderslade

29 September 2023

Dear Parents and Carers,

I hope this letter finds you well. I would like to inform you about specific arrangements for PGW students that have been made due to the closure of Greenacre and Walderslade schools, for their Open Days.

On Monday, 2nd October, the Greenacre Academy will be open to students. This means that PGW students will have the opportunity to attend all the lessons scheduled to take place at this site on that day. However, please note that girls will not be required to attend Tutor Time on this day since Walderslade Girls will be closed.

Similarly, on Friday, 6th October, Walderslade Girls will be open to students. Students will be able to attend all the lessons scheduled to take place at this site on that day. On this day, boys will not be required to attend Tutor Time due to the closure of Greenacre Academy.

We understand that these arrangements may require some adjustments to you and your son/daughter/ward's usual schedules, but we are looking to minimise the disruption caused by the school closures.

On the day where students are not able to attend Tutor Time (due to their 'home' school being closed), we kindly request that you arrive at the respective school promptly on the designated day, to ensure that you are ready to attend your lessons punctually.

If you have any questions or concerns regarding these arrangements, please do not hesitate to contact either myself, or Miss George.

Thank you for your support and understanding.

Yours sincerely,

**Mr M. Roberts**  
Head of Sixth Form

**Miss H. George**  
Deputy Head of Sixth Form
