To achieve a Grade 8 candidates will be able to:

- Demonstrate relevant, accurate and comprehensive knowledge and understanding of a wide range of factors affecting performance and involvement in physical activity and sport using accurate specialist terminology
- Apply knowledge and understanding of factors that underpin performance and involvement in sport their impact consistently and accurately.
- Critically analyse and evaluate a wide range of information about performance accurately to draw well-evidenced conclusions
- safely and effectively apply all core and advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency under pressure and in performance situations.

To achieve a Grade 7 candidates will be able to:

- Demonstrate relevant and comprehensive knowledge and understanding of a wide range of factors affecting performance and involvement in physical activity and sport using accurate specialist terminology
- Apply knowledge and understanding of factors that underpin performance and involvement in sport their impact accurately.
- Critically analyse and evaluate a wide range of information about performance accurately to draw well-evidenced conclusions
- safely and effectively apply all core and most advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency under pressure and in performance situations.

To achieve a Grade 6 candidates will be able to:

- Demonstrate relevant knowledge and understanding of a wide range of factors

affecting performance and involvement in physical activity and sport using accurate specialist terminology

- • Apply knowledge and understanding of factors that underpin performance and involvement in sport their impact.
- • Critically analyse and evaluate a wide range of information about performance to draw well-evidenced conclusions
- • Safely and effectively apply all core and most advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency under pressure.

To achieve a Grade 5 candidates will be able to:

- • Demonstrate relevant knowledge and understanding of factors affecting performance and involvement in physical activity and sport using accurate specialist terminology
 - • Apply some knowledge and understanding of factors that underpin performance and involvement in sport and their impact.
 - • Critically analyse and evaluate a wide range of information about performance to draw conclusions
 - • Safely and effectively apply all core and some advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency under pressure.
- Safely and effectively apply most core and some advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency under pressure.

To achieve a Grade 4 candidates will be able to:

- • Demonstrate knowledge and understanding of factors affecting performance and involvement in physical activity and sport using accurate specialist terminology
- • Apply some knowledge and understanding of factors that underpin performance and involvement in sport.
- • Analyse and evaluate a wide range of information about performance to draw conclusions

To achieve a Grade 3 candidates will be able to:

- Safely and effectively apply most core and some advanced skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency in isolation and some pressured situations.
- • Demonstrate knowledge and understanding of some factors affecting performance and involvement in physical activity and sport using some specialist terminology
 - • Apply limited knowledge and understanding of factors that underpin performance and involvement in sport.
 - • Analyse and evaluate information about performance to draw some conclusions

To achieve a Grade 2 candidates will be able to:

- • Demonstrate knowledge and understanding of some factors affecting performance and involvement in physical activity and sport
- • Apply limited knowledge of factors that underpin performance and involvement in sport.
- • Limited analysis and evaluation of information about performance to draw some conclusions

- • Safely and effectively apply most core skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency in isolation and some pressured situations.

To achieve a Grade 1 candidates will be able to:

- Limited knowledge and understanding of some factors affecting performance and involvement in physical activity and sport
- Apply limited knowledge of some factors that underpin performance and involvement in sport.
- Limited analysis and evaluation of information about performance.
- Safely and effectively apply some core skills, strategies and/or compositional ideas demonstrating a control, accuracy and fluency in isolation.
