Dear Parent/Carer

Homework Questionnaire

As we strive to continuously improve our educational programmes and initiatives, your valuable input plays a crucial role in shaping our plans for the future. We are reaching out to request your participation in completing a short, online questionnaire regarding homework at the Walderslade & Greenacre Schools Partnership.

Your views, insights and suggestions are invaluable in helping us get homework right for our students. By sharing your perspectives, you directly contribute to the enhancement of the educational provision that we offer, here at the Walderslade & Greenacre Schools Partnership.

The questionnaire covers various aspects of homework; from online apps to the quantity of homework that is regularly set. Rest assured, all responses will be treated with the utmost confidentiality and used solely for the purpose of gaining an insight to where we can further enhance the quality of our homework provision.

Completing the questionnaire should take no longer than 5 minutes and your views are welcomed. Gaining feedback from our students and parents enables us to build a stronger bond between home and school.

To access the questionnaire, please follow the link provided below. If you encounter any queries, please do not hesitate to contact us.
