

## **Stretch and challenge for MUSIC**

### **Key Stage 3**

- Attend extra-curricular clubs such as Band Lab club on a Wednesday lunch time to develop and improve your composition skills
- Work with the Sixth Form helpers to develop your practical skills - ask them how you can improve your instrumental/vocal techniques
- Complete love for learning and extension tasks set by your teachers

### **Key Stage 4**

- Use more complex and interesting chords that could be used to enhance composition work.
- Try working out how to play some of your favourite songs on your instrument. Work out the melody and chords (or even both).
- Analyse pieces of music using MAD T-SHIRT and examine structure in detail so that you can use the methods in your own music.
