

Stretch and challenge for SOCIOLOGY

- Analyse a newspaper and find different articles which relate to the topics in GCSE Sociology (Education, Family, Crime and deviance and social stratification.)
- Create your own exam questions-> Focus on the sociologists who make up the 12 key studies.
- Read Owen Jones' book - 'Chavs'
- Watch '1 Daniel Blake' and identify the themes relating to social stratification.
- Watch an episode of 24 hours in police custody and identify the themes relating to your study of crime and deviance.
- Analyse the Official Crime Statistics from the Office of National Statistics in your area and compare them to another area. Look for patterns and trends in the crime statistics.
- Read up more on Willmott and Young study on the symmetrical family.
- Read up more on Ann Oakley perspective on the family.
- Analyse the Census from 2021. Compare it to the census in 2011. Look for changes to the family, employment rates, birth rates and average income.
